

American Alliance Selects The Stingray System from Maximum Processing.

American Alliance selects the web-based, policy, billing, claims and reinsurance insurance administration system.

Bradenton, FL —American Alliance Casualty Company (AACC) has chosen The Stingray System for the processing of their Personal lines of business. The Stingray System, from Maximum Processing, will be utilized for policy, billing and claims, imaging and reinsurance processing.

“The client references impressed us. However, the system impressed us even more with its very complete functionality and configurability. The point of sale capabilities combined with imaging and workflow modules, as well as agent and customer portals allow us to provide high quality service,” said Marc Romanz, President of AACC “The Stingray System will allow us to work with comparative raters and grow our business significantly..”

"Utilizing interfaces such as IVANS, for downloading to agency systems, POLK for VIN decodification and validation, MVRs and other third party services," explained Sean Pitcher, President & CEO of Maximum Processing, "they will be able to provide real time purchasing capabilities to their agents and customers while improving the straight through processing capabilities."

Romanz said they are very impressed with the depth of experience and knowledge that Maximum Processing brings, as well as their responsiveness to our needs. .

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4SightBI, bureau stat reporting and others) . It comes with consumer and agent portals as well a full point of sale system.
