

Artisan Contractors Selects The Stingray System from Maximum Processing.

Artisan Contractors selects the web-based, policy, billing, claims and reinsurance insurance administration system.

Bradenton, FL — Artisan Contractors Insurance Company (ACIC) has chosen The Stingray System for the processing of their General Liability business. The Stingray System, from Maximum Processing, will be utilized for policy, billing and claims, imaging and reinsurance processing.

“When we saw the system we were impressed with the ease of use and depth of functionality. The speed to market ability is also a critical factor for us. With point of sale capabilities, imaging, workflow and user configurability we will be able to provide a host of services to our customers and agents while improving our internal processes,” said Jeffrey Schaff, President of ACIC. “The Stingray System will provide us with the means to meet market demands in timeframes that were never possible before. ”

"Our tools allow us to configure a system for clients in a short time ,” explained Sean Pitcher, President & CEO of Maximum Processing, "they will be live in a matter of weeks and will be able to provide real time purchasing capabilities to their agents and customers while improving their overall experience."

Schaff said they are very impressed with the depth of experience and knowledge that Maximum Processing brings, as well as their responsiveness to their needs.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4SightBI, bureau stat reporting and others) . It comes with consumer and agent portals as well a full point of sale system.
