

Global Aerospace Selects The Stingray System from Maximum Processing.

Global Aerospace selects the web-based, policy, billing, claims and reinsurance insurance administration system.

Bradenton, FL — Global Aerospace Insurance Company has chosen The Stingray System for the processing of their Private Business and Pleasure General Aviation lines of business. The Stingray System, from Maximum Processing, will be utilized for their U.S., U.K. and Canadian operations.

“We spent a great deal of time reviewing various systems that could meet our diverse needs, which includes multi-currency and multi-lingual capabilities. We were very impressed with the Stingray System and the staff of Maximum Processing.” said Thomas Assenza, Senior Vice President Global Aerospace, Inc. “The Stingray System was able to demonstrate all of the key requirements that we had and gives us the ability to have a highly configurable system that improves our ability to provide quality services to our broker agents and customers.”

"Utilizing our workflow processes and interfaces for third party services," explained Sean Pitcher, President & CEO of Maximum Processing, "they will be able to provide real time approval capabilities to their brokers while being able to react quickly to market needs. "

Assenza said they have been impressed with the knowledge and experience that the Maximum Processing team brings and ability to understand and meet their business needs.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g., Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4Sight Business Intelligence, bureau stat reporting and others). It comes with consumer and agent portals as well as a full point of sale system.
