Stingray System functionality to include real-time comparative rating through QuotePro.

Bradenton, FL –Maximum Processing today announced a new alliance with QuotePro Inc, to integrate with its QuotePro Comparative Rater through The Stingray System, a fully functional web-based property & casualty insurance administration solution.

“We continually strive to improve underwriting accuracy and straight-through processing,” says Sean Pitcher, President and CEO of Maximum Processing. “The Stingray System has improved on this process by integrating with QuotePro to provide real-time comparative quoting which will reduce agent effort and provide for data passing between systems,” explains Pitcher.

“We are pleased to add the Maximum Processing Stingray Platform to our list of Property & Casualty Policy Issuance Partners.” states Marco Freudman, Principal Partner of Quotepro Inc.

Quotepro has developed a suite of online products that center around their Patent Pending Bind-On-Line (BOL) Platform. “Quotepro technology makes purchasing an online auto policy from a selection of many carriers, easy. What Agent doesn’t want a website that can sell insurance and allow for online payments 24/7? I cannot think of a better way of using Technology to grow and Agency.” continued Marco Freudman.

“Maximum Processing has a strong commitment to our clients to continually improve the functionality of its products so insurers have the best of both worlds, the latest features and the ability to provide their underwriter and agents with improved underwriting and straight-through processing,” continued Sean Pitcher. “This alliance with QuotePro is another action that will improve agent processing and carrier capabilities.”

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, bureau stat reporting, business intelligence and others) . It comes with consumer and agent portals as well a full point of sale system.
