

# Pet Partners Selects The Stingray System from Maximum Processing.

*Pet Partners selects the web-based, policy, billing, claims and reinsurance insurance administration system.*

**Bradenton, FL** —Pet Partners has chosen the Stingray System for the processing of their Pet Insurance lines of business. The Stingray System, from Maximum Processing, will be utilized for policy, billing and claims processing for their 50-state business segment.

"Because of the nature of our toolset we are able to configure the Stingray System for Pet Insurance within less than 60 days," explained Sean Pitcher, President & CEO of Maximum Processing, "we continue to provide additional features and functions for our clients, no matter what property and casualty lines of business they need to write."

"We looked around for quite some time for a system. The Stingray System was the only complete system we found that was able to be configured for Pet Insurance in only a few months," said Heather Rich, COO of Pet Partners. "We were also very impressed with the features and functions of the Stingray System which will help us improve the delivery of our products and services."

Rich said they were also very impressed by the knowledge and depth of experience that Maximum Processing brings and the responsiveness to their needs.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, bureau stat reporting and others). It comes with consumer and agent portals as well as a full point of sale system.
