

Nonprofit Insurance Trust Selects The Stingray System from Maximum Processing.

Nonprofit Insurance Trust selects the web-based, policy, billing, claims and reinsurance insurance administration system.

Bradenton, FL — Nonprofit Insurance Trust has chosen The Stingray System for the processing of their Personal and Commercial lines of business. The Stingray System, from Maximum Processing, will be utilized for policy, billing, claims, imaging and workflow processing.

“We expended a great amount of effort to conduct a diligent selection process and The Stingray System proved to be an affordable solution with excellent functionality, highly knowledgeable staff as well as great references.” said Wayne Freundschuh, Administrator of the Nonprofit Insurance Trust. “The Stingray System will allow us to improve the productivity and efficiency of our staff while offering a richer environment via the web and improved service.”

"Utilizing our workflow processes and interfaces for third party services," explained Sean Pitcher, President & CEO of Maximum Processing, "they will be able to provide real time approval capabilities to their users while being able to react quickly to the ever-changing market needs. "

Wayne Freundschuh said they have been impressed with the knowledge and experience that the Maximum Processing team brings and ability to understand and meet their business needs.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4SightBI, bureau stat reporting and others) . It comes with consumer and agent portals as well a full point of sale system.
