

C & S Specialty Underwriters, LLC Selects The Stingray System from Maximum Processing.

C&S Specialty Underwriters, LLC selects the web-based, policy, billing, claims and reinsurance insurance administration system.

Bradenton, FL — C&S Specialty Underwriters, LLC, a managing general underwriting company providing underwriting and policy administration services for specialty casualty risks has chosen The Stingray System for the processing of their Specialty Casualty lines of business. The Stingray System, from Maximum Processing, will be utilized for policy, billing, claims, imaging and workflow processing.

“We went through a rigorous selection process and The Stingray System proved to have the functionality, customization and agility we were looking for to accommodate our highly specialized product lines in addition to a very knowledgeable staff as well as great references.” said Joseph D. Scollo, Jr., Partner of C&S Specialty Underwriters. “The Stingray System will allow us to efficiently service our agents and brokers via the web while we improve our efficiency and productivity. ”

"Having a highly configurable system with many features and functions available to them,” explained Sean Pitcher, President & CEO of Maximum Processing, "clients are able to provide complete online processing capabilities to their agents and customers with the ability to customize the user experience. "

Mr. Scollo said they are very impressed with the experience that the Maximum Processing team brings and the company’s focus on providing a highly configurable solution that meets their needs without costing significant sums.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4SightBI, bureau stat reporting and others) . It comes with consumer and agent portals as well a full point of sale system.
