*American Leader selects the web-based, policy, billing, claims and reinsurance insurance administration system.*

**Bradenton, FL** — American Leader has chosen The Stingray System for the processing of their Personal lines of business. The Stingray System, from Maximum Processing, will be utilized for policy, billing and claims, imaging and reinsurance processing.

“The ease of configuration and implementation of the Stingray System made it the clear choice for us. In less than six weeks we will be live and processing business with point of sale capabilities, imaging, customer and agent portals and workflow, allowing us to provide high quality service,” said Marc Romanz, President of American Leader “The Stingray System also provides us the needed interfaces such as comparative raters, credit card/ACH, VIN handling and more.”

"Utilizing a variety of interfaces, American Leader will be able to sell direct to consumers seamlessly as well as through third party systems," explained Sean Pitcher, President & CEO of Maximum Processing. "They will be able to have a vast majority of their submissions approved through automated underwriting allowing for immediate purchase and document distribution to consumers and agents. "

Romanz said they are very impressed with the depth of experience and knowledge and especially the spirit of partnership that Maximum Processing brings, as well as their responsiveness to their needs.

The Stingray System is a policy, billing, claims and reinsurance administration system which provides workflow, imaging, many third party interfaces (e.g. Credit Card, General Ledger, Comparative Raters, CLUE, MVR, 4SightBI, bureau stat reporting and others) . It comes with consumer and agent portals as well as a full point of sale system.
